Dear Sir,

Will you permit the Committee
of the British Continental & General Federation
for the abolition of licensed prostitution to
add your name to the Committee of Honour
of the Congress which it is proposed to hold
under the auspices of that Federation at
Geneva in September 1877? This would
entail no labour on you. - The Congress
will be of an international character.
I am sending you a copy of the provisional
statutes drawn up for it.

Will you please address your reply
to me as above

I am

your obedt servt

James Stuart
Humbert.
